Important Information

ARE YOU GRADUATING?

If you lack academic credit, and/or citizenship credit, Start Now! You can review your credits on your Graduation Summary on myDSD. Your counselor will be contacting you and your parent this term, OR you can be proactive and come visit with your counselor for academic make up credit options. Looking forward to 4th term, you **MUST** pass all 4th term classes required for graduation in order to participate in the graduation ceremony. You may not "bank credit", meaning you can't make up an F before you receive it.

If you have U's, they **must** be cleared before graduation. For citizenship make up, see Ms. Miller in the attendance office.

EARLY GRADUATES

Make sure to see your counselor **BEFORE** the end of 1st term!

ARE YOU GOING ON A HUMANITARIAN/SERVICE MISSION OR MILITARY DEPLOYMENT AFTER GRADUATION?

It is strongly recommended you still apply for college admissions and scholarships! After hearing from the schools, you will then defer your admission and scholarships with the school's registrar's office.

I WANT TO BE...?

There are still internships available 2nd semester. This is a great opportunity to really see what professionals do every day and decide if this is the career you want to pursue.

Apply at the link on our website. If you have questions, talk to your counselor or contact Mrs. Wall at cwall@dstdmail.net.

CAREER PATHWAYS

Did you know you can be a CTE Pathway Completer and be recognized at graduation with a Medallion? Students who focus on a Career Pathway are more likely to graduate and often start out with higher paying jobs than students who did not.

NEED A TRANSCRIPT?

Northridge High has partnered with **Parchment** to order and send your transcript and other credentials securely.

A link to Parchment is located on the [NHS Counseling webpage](#) under Transcript Requests. The cost is \$4.15. This includes the ability to track and verify your transcript has been received. You will need to create an account using your school e-mail to be able to order a transcript.

NCAA ELIGIBILITY

Make sure to meet with your counselor to make sure you will meet all of the requirements for the college/university you will be attending.

ACT

The final deadline for the October 22nd ACT is September 30th (a late fee applies).

Please visit www.actstudent.org to register. This is the last test date seniors can take to qualify for December 1st deadlines!

Students who qualify for free/reduced lunch can receive an ACT fee waiver which covers the cost of two ACT tests. Please see your counselor for more information.

Other ACT test dates:
December 10—register by Nov 4
February 11—register by Jan 6
April 15—register by March 10

LETTERS OF RECOMMENDATION

FAFSA

The Free Application for Federal Student Aid is available beginning October 1st. NHS is offering a **FAFSA completion night on Thursday, October 7th from 4:00pm-6:00pm**. This help is offered without appointment on a first-come-first-served basis.

FAQ's

- Even if you have a full ride scholarship or savings to help pay for college, **filing a FAFSA is a good backup plan to cover unexpected expenses**. Many colleges and scholarships require you to file the FAFSA as part of the application process.
- **You never know what financial aid you might end up getting!** Many students file their FAFSA and are surprised to find out that they qualify for a grant or a need-based scholarship.
- **It doesn't take as long as you think.** Usually less than 30 minutes from start to finish!
- **It's not as difficult as you think.** FAFSA on the web (FAFSA.gov) has "Help and Hints" on every section, as well as online chat, phone help, and a frequently asked questions section.
- **You aren't required to accept loans**

UTAH COLLEGE APPLICATION WEEK October 3-7

During Utah College Application Week (UCAW), representatives from Utah colleges and universities will be at NHS to assist you. They will be available during tutorial and lunch to answer any of your questions and help you in the application process. Be sure to watch for more information about when each of the schools will be at NHS.

Several colleges and universities will waive their application fee during UCAW. Be sure to ask the representatives from these institutions if they have a code. We will also send out those codes once we receive them.

WSU Status Switch

If you have already applied to Weber State to take CE courses in high school, you will not need to apply again. If you plan to continue attending Weber State after high school, you must complete the Status Switch.

To be considered for scholarships at Weber, this status switch must be completed by December 1st. We will have representatives from Weber State available during UCAW to help with this. It only takes a few minutes to complete.
