2017-18 NHS School Improvement Plan Reviewed by Tyler Poll:

Goal #1 Increase the whole school graduation rate by 1%, while also increasing the subgroup graduation rate above 60% for our special education students.

- 3 AmeriCorps employees
- 2 Graduation trackers
- Teacher productivities
- Chinese teacher
- Stipends for teacher professional development
- Mobile computer labs

Goal #2 Increase the percentage of students scoring at or above college readiness benchmarks in individual ACT subtests by a minimum of 2% in each area. 2016 ACT results are below with the accompanying target goals:

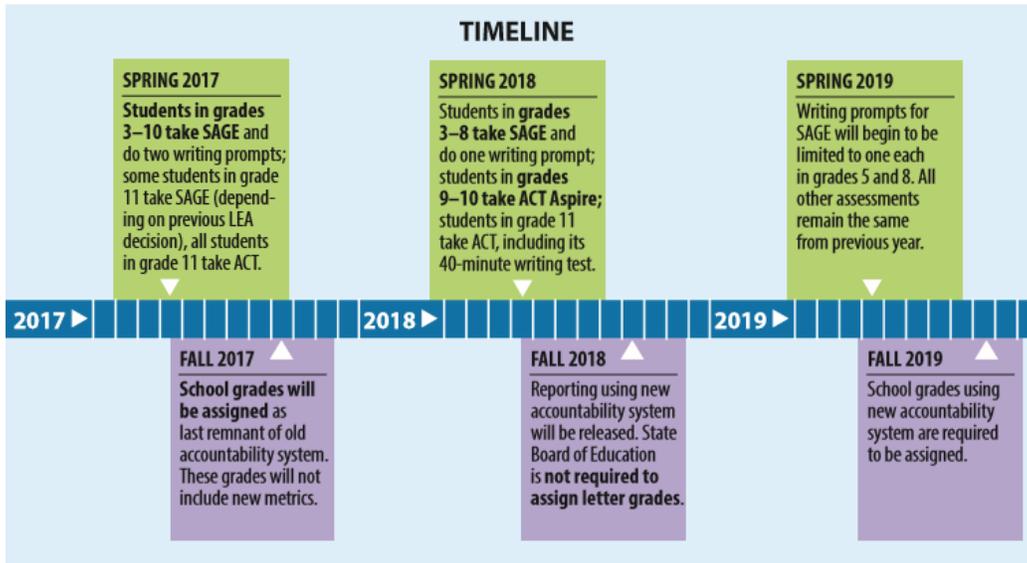

1. Math Proficiency: 37%	Target: 39%
2. ELA Proficiency: 57%	Target: 59%
3. Reading Proficiency: 41%	Target: 43%
4. Science Proficiency: 32%	Target: 34%

- Teacher professional development stipends
- Teacher productivity
- ACT Preparation Supplies

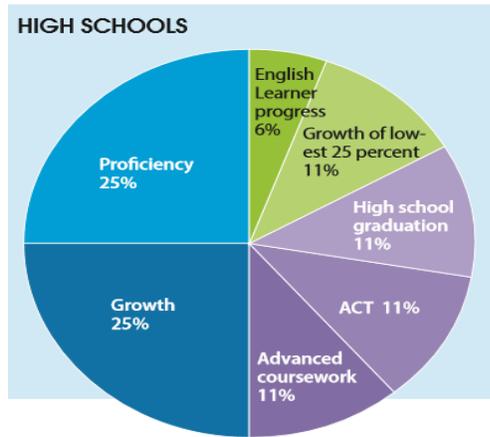

Goal #3 All staff will participate in developing and strengthening PLCs in order to collaborate on goal setting, common formative assessments, data analysis, and student intervention plans. In addition, 90% of faculty will participate in technology trainings to ensure their curriculum is digitized and available to students at all times.

- Substitute pay for PLC collaboration time and teacher stipends

The State Board of Education gave NHS a B for the school grade. School grading will be changing.

Areas of focus moving forward at NHS still include SAGE testing because 67% of the high school grade will be based on SAGE testing.

School visit: Davis District School Board members and the Davis District superintendents will be visiting NHS October 11, 2017, 9:00 - 11:00 A.M.

Suggestions for future topics: ACT preparations and opportunities. Council members will research materials, workshops, and other options and send suggestions to Tyler Poll to be organized to present to the council during the next meeting.

Allen Miller motioned to adjourn at 4:07 P.M. Robert Shaffer 2nd.

Next meeting to be held November 1, 2017, 2:45 P.M. in the NHS Career Center.
